LEHIGH VALLEY COMMUNITY GIVING BACK

Thank you to Weyerbacher Brewing and Lehigh Valley with Love for collaborating a contest to name and create a logo for their new beer. Congratulations to the contest winner Kelcie Kosberg Warmkessel.

Thank you for everyone who attended the "Compassion" Double IPA release party on June 24th. This event both raised awareness about Turning Point as well as raised money. Special thanks to Quartez Moore of The Taste Smokers who served up their delicious bbq food, musical guest Kendal Conrad, and comedian Tyler Rothrock for showcasing their talents.

Buy Compassion Double IPA at Molly's, Machs Gute, and The Tavern at Sun Inn!

MAKE YOUR DONATION GO FURTHER

“Like too many others, I have family members and friends who are survivors. I give for them and for my neighbors in the Lehigh Valley who are working or have worked to break the cycle of violence.

That doesn't happen without help from people and organizations like Turning Point, which provides crucial resources and education for our community. COVID-19 has reminded us home is a refuge, but sadly that isn't true for victims of abuse. Global pandemic or not, we all deserve to feel safe and protected at home,” Adrienne D., a new monthly donor.

Your gift could be worth more with a matching gift from your employer!

Go to our donation page and type in your employer's name to see if they have a matching gifts program. When you make a donation and add your employer, you will receive detailed information about and the forms for your employer's corporate giving gift program.

If your employer is not listed, you can always double-check with them directly to see if they'll match your gift.
