

The Spirit of Empowerment

Holiday Gift Card Drive 2023

Give the gift of empowerment this holiday season.

This holiday season, empower survivors of domestic and intimate partner abuse with your generosity. Abuse thrives on controlling others, which is why Turning Point is dedicated to restoring choice and control to survivors. Even the simplest decisions, like choosing a brand of peanut butter or selecting detergent, become crucial stepping stones on their path to reclaiming their lives. Your donation of gift cards empowers survivors, enabling them to actively participate in the holiday shopping experience and select perfect gifts for their children. Make a difference this season—give the gift of empowerment.

Survivor Gift Card Requests Are For:

Amazon, Giant, Target, Walmart, Wawa, Weis, Wegmans, and Visa
(Amounts of \$25 and \$50 are preferred.)

We will be collecting gifts cards through December 15, 2023.
